in 2022 journalists announced the impending economic death of a small mexican town pisté gateway to the famed chichén itzá archaeological site would be circumvented by the tren maya commuter rail megaproject and consequently deprived of the promise of steady tourist traffic instead of ruminating with frustration locals set to work on negotiations with the state and federal governments generations of experience taught them that pragmatic engagement with mainstream political parties was essential in turning into opportunity projects with the potential to kill the local economy fernando armstrong fumero situates the tren maya in a long history of roadbuilding and economic development on the yucatán peninsula beginning in the 1930s drawing together archival research and decades of ethnographic work armstrong fumero develops the concept of negative infrastructure to show how infrastructural and industrial investments configure rural economic futures as well as how communities seek to mitigate the harms from projects designed to benefit other regions or interests the push and pull of development reveals the strategies residents use to influence political change through municipal elections and informal protest recognizing their life changing potential rural maya yucatecans recast infrastructural projects as new possibilities for inclusion agency and resistance as participants in formal state and economic structures

education is one of the most fundamental prerequisites to economic growth and social stability in the world it is also one of the most inadequately realised goals of development with the average education of global adults remaining essentially at primary levels advancing global education is the second in a series of volumes that explores prospects for human development how development appears to be unfolding globally and locally how we would like it to evolve and how better to assure that we move it in desired directions the first volume addressed the reduction of global poverty the third will turn to the enhancement of global health advancing global education presents the most extensive set of forecasts of global education participation and attainment levels to date providing and exploring a massive multi issue database and proposing a scenario for accelerating educational attainment throughout major world regions and 183 countries

your fourth graders can learn about the same topic while reading at their own level nonfiction reading practice provides 17 reading selections at three levels and supporting activities to guide students in reading and understanding nonfiction texts

the papers in this section on the legal aspects of nursing can be divided into two parts a the rights and responsibilities of nurses patients and the medical system and b treatment with its legal ramifications how does one decide whether patients rights or the health professional s rights are to be considered more seriously is there an absolute right or wrong since legal rights are sanctioned by constantly changing social and political climates this may in effect diminish the possibility of anything absolute the question of the equivalency of legal and moral rights is also addressed due to the prevalent vagueness with regard to bioethical issues as they affect human and legal rights often we become absorbed in philosophical polemics without being able to arrive at anyone answer in order to move beyond the ethical theoretical formulations there is daily confrontation in the nursing profession the practical application of theoretics

contains alphabetically arranged biographical sketches of well known authors of books for young readers

biographical profiles written especially for young readers ages 9 and above

combining years of ethnographic research with british imperial archival sources this book reveals how cultural heritage has been negotiated by colonial independent state and community actors in belize from the late nineteenth century to the present

legacies of space and intangible heritage is an interdisciplinary exploration of the intersections between the study and management of physical sites and the reproduction of intangible cultural legacies the volume provides nine case studies that explore different ways in which place is mediated by social political and ecological processes that have deep historical roots and that continue to affect the politics of heritage management spaces of human habitation are both historical records of the past and key elements in reproducing the knowledge and values that define lives in the present practices knowledge and skills that communities recognize as part of their culture and that a range of legal

statutes define as protected intangible heritages are threatened by increased migration the displacement of indigenous peoples and limits on access to culturally or historically significant sites this volume addresses how different physical environments contribute to the reproduction of cultural forms even in the wake of these processes of displacement and change case studies from north and south america reveal a pattern of abandonment and reestablishment of settlements and show how collective memory drives people back to culturally meaningful sites this tendency for communities to return to the sites that shaped their collective histories along with the growing importance granted to intangible heritage challenges archaeologists and other heritage workers to find new ways of incorporating the cultural legacies that link societies to place into the work of research and stewardship by examining the politics of cultural continuity through the lenses of archaeology and ethnohistory legacies of space and intangible heritage demonstrates this complex relationship between a people s heritage and the landscape that affects the making of place contributors rani alexander hannah becker minette church bonnie clark chip colwell winifred creamer emiliana cruz t j ferguson julio hoil gutierrez jonathan haas saul hedquist maren hopkins stuart b koyiyumptewa christine kray henry marcelo castillo anna roosevelt jason yaeger keiko yoneda
