dui is a must read for all of those who desire to be equipped to have victory in the war of deception that the devil has waged against the saints one of the grave mistakes that the modern church has made is that of minimizing the enemy he is a formidable opponent that we within ourselves have no chance of defeating the reason why many saints are being defeated by the enemy is because the body of christ is having such a difficult time recognizing the devil the bible says that he would deceive not just the world but even the very elect if it were at all possible dui exposes how the enemy uses worship to get believers intoxicated with the world this book systematically breaks down the difference between worship in the spirit which cleanses us and babylonian worship which entertains us it dissects the biblical foundations of worship and how the enemy is attempting to change those foundations you may have wondered how you could be a part of worship experiences that deeply affected you emotionally although many of the other participants left these experiences yet dominated by their flesh spiritually blind and carnally minded this book has the answers it is a must read for all of those desiring to worship god in spirit and truth and be found faithful when he returns

as part of his passion to bring glory to god ernie klassen is particularly interested in the revival of god s people and the awakening of the lost he believes strongly that god honoring christ exalting and spirit empowered preaching plays a critical role in revival and awakening no one models this dynamic better than jonathan edwards he was a pastor who was a protagonist of the first great awakening he thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection revival preaching extracts the most important lessons of edwards s writings and sermons for preaching in today s world

this book is designed mainly for those who are beginners in the study of prophetic and dispensational truth though should it fall into the hands of those who are looking for that blessed hope and the glorious appearing of our great god and saviour jesus christ and who have perhaps for years been giving earnest heed to the more sure word of prophecy we trust that it will afford meat in due season and stimulate praise

to god for the marvelous and blessed prospect which his word sets before us many books have already appeared before the public presenting in clear and scriptural language the various aspects of the subject of our lord s return and we hesitated long before we decided to add one more to the number the different chapters in this volume have been given by the writer in sermon and lecture form to numerous audiences both in this country and in england and it is only the repeated requests of many of those who have heard these addresses which has caused us to now set them down in writing
