this work is a collection of interviews on the topic of freedom from many of the world s leading academic thinkers on the subject as well as highly influential activists the book contains 12 interviews and an introduction the interviews are presented in a simple readable format intended for a general audience each with a short introduction and suggested reading the interviews are split into three sections history philosophy and activism covering what freedom has meant how it can be defined and what work it does in real world political contestation respectively one central themes of the work are how freedom s meaning has changed and evolved over time and been contested both between and within political traditions the book also explores contemporary alternatives to

individual negative liberty and considers freedom as a possible ideal to which activists can appeal a final issue many of the interviews touch on is how different conceptions of freedom relate to different ideas about human nature and our relationship with history

this book presents a unique collection of interviews on the meaning of freedom in the modern world drawing on the expertise of the world's leading historians philosophers and most influential activist it takes up the question of our highest ideal from a diverse and exciting range of perspectives

chaucer the old dramatists chapman and ford the plays of thomas middleton song writing

contemporary mass media descriptions of muslims often suggest that islam and muslims are fundamentally undemocratic policy makers in the west have weaponized these descriptions in attempts to legitimize anti muslim right wing policy developments across the west and in the united states in particular from surveillance in the aftermath of 9 11 to the anti islamic travel ban of 2017 but are muslims undemocratic ahmed khanani argues that this is not the case in all politics are god's politics khanani shows that in fact the opposite holds true for socially conservative politically active muslims islamists democracy or dimuqratiyya reflects and extends their religious values by drawing on conversations with over 100 islamists in morocco this book enables readers to understand and appreciate the significance of dimuqratiyya as a concept alongside new prospects for islam and democracy in the arab middle east and north africa mena khanani's in depth analysis of the moroccan case brings these islamists and their attending political views to the forefront
