roy jenkins churchill is an exhaustive biographical picture of the man who oversaw some of the most important events
the world has ever seen from the admiralty to the miner s strike from the battle of britain to the nobel prize

from the admiralty to the miner s strike from the battle of britain to eventual victory over nazi germany churchill
oversaw some of the most important events the world has ever seen winning the nobel prize in literature for his
personal writing and cautioning against a powerful soviet russia in his later years in office his larger than life and
complex personality has continued to fascinate writers and historians in this comprehensive biography roy jenkins
faithfully presents these events while also managing to convey the contradictions and quirks in churchill s character
weaving together in depth analysis and brilliant historical research jenkins has succeeded in crafting this magnificent

one volume account packed with insights that only a fellow politician can convey bringing to life the statesman writer speaker and leader churchill is packed with insights into one of the most important figures of the twentieth century

this text provides a fascinating insight into the heart of politics over the last two hundred years and furthers our understanding of one of the most significant political roles in british government

roy jenkins follows up churchill with a book of a very different shape short and semi autobiographical but also full of the wit and erudition which make that book such a success each of the twelve cities are described with a mixture of architectural interest topographical insight and personal anecdote jenkins has three british cities cardiff which was the metropolis of his monmouthshire childhood birmingham which he represented in parliament for 27 years and glasgow which aroused in him an enthusiasm far transcending politics further afield there is paris brussels where he lived for four years as president of the european commission bonn and berlin surveyed from its pre war splendour through to its architectural resurgence of the 1990s naples and barcelona from lord jenkins s over a hundred visits to north america there emerge highly personal recollections of new york and a more objective view of the of chicago dublin so near to home and yet so distant makes up the dozen twelve cities is a fascinating and sparkling collection from one of our very finest writers

thomas hörber analyses the building process of european integration he shows the parliamentary discourses of france germany and britain to be representative of the national position of these states towards the developing concept of europe he covers all key events and developments of the time which had an impact on the european integration process and provides an explanation for the convergence of national discourses towards a common europe this development was by no means a given and the analysis of parliamentary debates shows for the first time how vigorous the debates were on european integration in the 1950s and how despite setbacks notably the failure of the european defence community the discussion went in favour of integration

roy jenkins was a dominating figure in british politics across the four decades before his death in 2003 with an impact and legacy greater than many prime ministers of the period these essays by friends and associates of roy jenkins from every phase of his life chart his remarkable career with insight anecdote and empathy each contributor writes from a close and unique relationship with their subject

from the new york times bestselling author of churchill a towering historical biography available for the first time in paperback william gladstone was with tennyson newman dickens carlyle and darwin one of the stars of nineteenth century british life he spent sixty three of his eighty nine years in the house of commons and was prime minister four times a unique accomplishment from his critical role in the formation of the liberal party to his preoccupation with the cause of irish home rule he was a commanding politician and statesman nonpareil but gladstone the man was much more a classical scholar a wide ranging author a vociferous participant in all the great theological debates of the day a voracious reader and an avid walker who chopped down trees for recreation he was also a man obsessed with the idea of his own sinfulness prone to self flagellation and persistent in the practice of accosting prostitutes on the street and attempting to persuade them of the errors of their ways this full and deep portrait of a complicated man offers a sweeping picture of a tumultuous century in british history and is also a brilliant example of the biographer s art from the trade paperback edition

brought together first as enemies in the anglo boer war and later as allies in the first world war the remarkable and often touching friendship between winston churchill and jan smuts is a rich study in contrasts in youth they occupied very different worlds churchill the rambunctious and thrusting young aristocrat smuts the aesthetic philosophical cape farm boy who would go on to cambridge both were men of exceptional talents and achievements and between them the pair had to grapple with some of the twentieth century s most intractable issues not least of which the task of restoring peace and prosperity to europe after two of mankind s bloodiest wars drawing on a maze of archival and secondary sources including letters telegrams and the voluminous books written about both men richard steyn presents a fascinating account of two remarkable men in war and peace one the leader of the empire the other the leader of a small fractious member of that empire who nevertheless rose to global prominence

the second edition in the landmark reissue of the diaries of winston churchill s doctor devoted friend and confidant lord moran present a frank and intimate portrait of the prime minister from the tumultuous post world war ii years all the way up to his death in january 1965 in his unique position as a companion to churchill throughout virtually his entire career as a statesman moran sheds new light on the controversies that precipitated churchill s eventual fall from grace after the war presenting an invaluable picture of a complicated contradictory individual stubborn defiant prideful yet possessing an undeniable strength and nobility moran chronicles not only the key political events of churchill s last

twenty years his legendary iron curtain speech his triumphant return to power in 1951 and his ensuing role in the unfolding political landscape of the cold war era but also churchill s place as a nobel prize winning historian voracious traveler and enigmatic father and husband what we get with the churchill diaries is an absolutely indispensable first hand document of one of the most towering historical figures of the 20th century

banned history is all the juicy bits of history which were excluded from your lessons at school it unashamedly probes into the darker side of some of britain s most admired leaders as well as exploring the hateful and depraved nature of humanity across the last 5000 years banned history answers questions which are deliberately avoided by the school curriculum due to the negative light britain may be portrayed such as the real reason why britain didn t bomb auschwitz and how the transatlantic slave trade came into being topical issues such as whether churchill was a racist and how homophobia developed and spread across the world are explored in depth concepts which are too horrific to ever feature in the school curriculum are investigated to reveal how many years it takes for incest to wipe out a family what the most effective method of torture is and what kind of person tastes best written in a bright and breezy tone banned history is full of fascinating facts such as who discovered dolphins and who fell in love with one why america got involved in the vietnam war why russia turned communist how martin luther king got his name how many people europe killed with their colonisation of the americas and when and why the british government legalised men hitting their wives welcome to the sort of history you definitely didn t get taught at school

from the new york times bestselling author of churchill a towering historical biography available for the first time in paperback william gladstone was with tennyson newman dickens carlyle and darwin one of the stars of nineteenth century british life he spent sixty three of his eighty nine years in the house of commons and was prime minister four times a unique accomplishment from his critical role in the formation of the liberal party to his preoccupation with the cause of irish home rule he was a commanding politician and statesman nonpareil but gladstone the man was much more a classical scholar a wide ranging author a vociferous participant in all the great theological debates of the day a voracious reader and an avid walker who chopped down trees for recreation he was also a man obsessed with the idea of his own sinfulness prone to self flagellation and persistent in the practice of accosting prostitutes on the street and attempting to persuade them of the errors of their ways this full and deep portrait of a complicated man offers a sweeping picture of a tumultuous century in british history and is also a brilliant example of the biographer s art

churchill s role in restoring european unity from the perspective of his two key speeches in 1946 at fulton and zurich

a detailed account of churchill s constitutional thinking and of his impact on the british constitution during the longest and most extraordinary political career in 20th century britain

this book explores the most important components and contributing factors to the european integration process during the 1950s it seeks to combine comparative politics and political history to examine core themes such as war experience national security military security economic security societal security and research and education in three major european countries i e france germany and britain it analyses the references to the ensuing european integration process in national parliamentary debates analyzing which national needs were thought european integration could cater to but also which national positions were seen as being compromised by a closer european commitment the development of a national position on european integration and in turn the evolution of european concepts are considered by using discourse theory on parliamentary debates in france germany and britain parliamentary discourses are shown to be an ideal source for analyzing grand themes such as european integration because they cover all fundamental ideas they have to be public and open ended deliberations which in turn determined the position of each country towards european integration the great variety of positions reflected in the parliamentary discourse in particular those which did not prevail and which did not find their way into the commonly accepted historical storyline of european integration provide a greater comprehensiveness and a better understanding of the history of the european integration process

david a j richards examines the lives of five famous male crusaders and political leaders who resisted violence if possible and presented their causes more humanely disarming manhood argues that winston churchill william lloyd garrison mohandas gandhi martin luther king and leo tolstoy shared an alternative psychology springing from the religious outlook of their mothers and other maternal figures that enabled them to resist traditional male responses to challenges

remembered past draws together lukac s diverse and wide ranging writings on a variety of interrelated topics the volume serves at once as an introduction to essential aspects of lukac s thought and as an indispensable compendium of his most enduring pieces many of which have until now been uncollected or located in out of print volumes back cover

rintala makes a unique case for the role that friendship plays in politics
