yahweh the lord god and his son yahshuah jesus christ made statements with regard to eschatology that have been spiritualized for over a millennium which has led to the belief in universalism the belief that yahshuah died for everyone well after one studies the original languages of the hebrew aramaic and greek the message of the kingdom of god was preached to and accepted by a certain house in the bible

the other house rejected this message and yahshuah punished that house by taking the kingdom away from them and giving it to another nation bringing forth fruit there are only the house of israel the house of judah and the house of david mentioned in the bible all three existed then as they do today however most of today's babylonian priesthood churchianity refuses to accept the secular historical position with regard to the house of israel and who they are today the people groups which yahweh and yahshuah addressed still exist today however these people are all mixed up and known by different names but they do exist this book goes back to the origin of these people groups in the bible and brings them forward to the present using their old names in order to understand eschatology this brings us to the major question of is the bible only about israel and if so how does it affect our eschatology today this book answers these hard questions

this is an enhanced e book edition with videos and pictures president john f kennedy tried to warn us of the secrete shadow government that has taken control of our country there is a plot in this country to

enslave every man woman and child before i leave this high and noble office i intend to expose this plot in a speech three weeks before he was murdered john f kennedy asked the american people for their help in this tremendous task of informing and alerting the american people for i have complete confidence in the response and dedication of our citizens whenever they are fully informed because he knew that he could not defeat this secrete society of corporate demons on his own but i am confident that with your help man will be what he was born to be free and independent kennedy realized as do many american s today that the cia possessed entirely too much power and was placing our nation in grave danger acting on their own starting war after war after war without the consent or authority of either the president congress or the american people kennedy angrily vowed to splinter the cia into a thousand pieces and scatter them to the winds twice the cia flatly refused to carry out the president s orders concerning vietnam and their planned invasion of cuba because the agency disagreed with him kennedy likened the cia s growth to a malignancy which he was not sure even the white house could control any longer the agency represents a tremendous power and total unaccountability to anyone kennedy went on to say that if the united states ever experiences an attempt at a coup to overthrow the government it will come from the cia john f kennedy tried to end the wars and do away with the federal reserve banksters that control our government and a month later they blew his brains out into a thousand pieces and scattered them to the winds

this book offers a thoughtful analysis of how and why conspiracy thinking has become a popular mode of political discourse in the united states how did conspiracy thinking become such a significant and surprisingly widely accepted form of political thinking in the united states what compels people to respond to devastating unpredictable events terrorist acts wars natural disasters economic upheavals with the conviction that nothing is a coincidence nothing is as it seems and everything is connected conspiracy rising conspiracy thinking and american public life argues that while outlandish paranoid theories themselves may seem nonsensical the thread of conspiracy thinking throughout american history is a both a byproduct of our democratic form of government and a very real threat to it from the illuminati the knights templar and the freemasons to the government hiding aliens and faking the moon landing from the new world order to the obama birthers the book explores the enduring popularity of a number of american conspiracy theories showing how the conspiracy hysteria that may provoke disdain and apathy in the general public can become a source of dangerous extremism
