this book introduces catholic social teaching cst and its teaching on the common good to the reader and applies them in the realm of public health to critically analyze the major global issues of covid 19 that undermine public interest it uses the sociotheological approach that combines the moral principles of cst and the holistic analysis of modern sociology and also utilizes the secondary literature as the main source of textual data specifically it investigates the corporate moral irresponsibility and some unethical business practices of big pharma in the sale and distribution of its anti covid vaccines and medicines the injustice in the inequitable global vaccine distribution the weakening of the united states congress s legislative regulation against the pharmaceutical industry s overpricing and profiteering the inadequacy of the

world health organization s who law enforcement system against corruption and the lack of social monitoring in the current public health surveillance system to safeguard the public good from corporate fraud and white collar crime this book highlights the contribution of sociology in providing the empirical foundation of cst s moral analysis and in crafting appropriate catholic social action during the pandemic it is hoped that through this book secular scholars social scientists religious leaders moral theologians religious educators and catholic lay leaders would be more appreciative of the sociotheological approach to understanding religion and covid 19 this book brings into dialogue two bodies of literature documents of catholic social teaching and modern sociology and its core thinkers and texts the author does especially well to describe how taking the sociotheological turn will benefit the credibility and dissemination of catholic social thought rev fr thomas massaro s j professor of moral theology jesuit school of theology santa clara university berkeley california

the sacred project of american sociology shows counter intuitively that the secular enterprise that everyday sociology appears to be pursuing is actually not what is really going on at sociology s deepest level sociology today is in fact animated by sacred impulses driven by sacred commitments and serves a sacred project this book re asserts a vision for what sociology is most important for in contrast with its current commitments and calls sociologists back to a more honest fair and healthy vision of its purpose

by employing a rigorous historio rhetorical exegesis of each unit in chaps 3 6 and 14 birge explores how paul in his first letter to the corinthians used the same kinship images and language in different pastoral situations to address the situation of disharmony and division among the corinthians 1 10 she investigates the possible sources for paul s ideas about kinship images and language by examining likely influences on him from his social and historical matrix jewish literature and the practice of hellenistic rhetoric after concluding that paul drew on these two cultural and religious resources to craft his argument for unity she asserts that what was new for him was finding the genetic material of kinship in christ rather than in fidelity to god and the torah she also claims that what was new for early christianity was the notion that the state of being in christ dissolved all boundaries of status and privilege that greco roman society had established among people who were not kin
