authentic test preparation materials from the people who make the elementary education curriculum instruction and assessment test

airasian presents complex concepts clearly so that pre service teachers can understand them and solidly grounds these concepts in best practice through practical real well integrated examples he talks to not at users the text conceives of classroom assessment in a broader way than many other texts it focuses not only on the assessment needs of testing grading interpreting standardized tests and performance assessments but also on assessment concerns in organizing a classroom at the start of school planning and implementing instruction and strategies of teacher self reflection it views classroom assessment as an everyday ongoing integral part of teaching not something that is separated from life in classrooms the text is organized in a manner that follows the natural progression of teacher decision making from organizing the class as a learning community to planning and conducting instruction to the formal evaluation of learning and finally to grading

provides more than one thousand practice questions and in depth answers for the 220 801 and 220 802 exams

the special mission of assessment in the classroom is to show how assessment principles apply to the full range of teacher decision making from organizing the class as a social system to planning and conducting instructions to the formal evaluation of learning and finally to grading the goal is to show students that assessment is an everyday ongoing part of their teaching not some esoteric affair that is

divorced from their daily routine with this in mind the following features have been built into this text
