workplace bullying is highly undesirable destructive and costly in terms of personal and corporate experience the handbook of dealing with workplace bullying edited by dr anne marie quigg has been designed to offer ideas inspiration help and guidance to people who have to respond to bullying providing advice that is pertinent in real life it provides definitions of workplace bullying and presents the collective wisdom and knowledge of management experts and academics from around the world the key themes include understanding the law in each country represented and the responsibilities of individuals as well as management teams and governors in organizations new case studies are supplied by people working with and within hr teams who have experience of dealing with the issue and practical suggestions that are of use to managers to people accused of bullying and also to people who find they are targets of bullying

as a manager you can usually handle disruptive employees but sometimes their emotional states foster workplace tension even making them a danger to others your own confidence is at risk in the manager s guide to bullies in the workplace coping with emotional terrorists noted counselor dr vali hawkins mitchell gives you sensible advice for keeping the bully from dominating the workgroup and destroying productivity and maintaining your own healthy emotional balance at the

same time sometimes the difficult person is an overt physical bully which makes it easy to simply fire the person much of the time however the problems are more subtle and build up over periods of time they undermine your ability to manage your team and they can spread to the rest of the team destroying teamwork and productivity in this short book dr vali helps you to recognize the types of upsetting work situations that bullies exploit to their own advantage such as change grief and violence understand why emotional terrorists make it so difficult for you as a manager to deal with their behavior see the symptomatic tools and techniques of the emotional terrorist such as harassment lying to supervisors tampering with documents etc conduct training to help other managers and team members recognize and handle the signs of impending emotional conflict you will love the snakes in the schoolyard exercise know exactly what to say and not say when you must have a one on one interview with someone you consider to be a bully be an effective manager in a world of challenges protecting and preserving the mental health of your employees and yourself dr vali uses realistic examples and humor to help you handle the challenges you face and to show the degree to which she really understands your situation with her guidance you will be more comfortable with knowing when you can handle the situation through simply being the good manager when you need to call in an outside mental health professional and when you need to call 911

the symptoms of menopause transitions have profound implications for work and are in turn affected by work despite this the topic is rarely discussed in management and organization studies providing an overview of existing knowledge in the field of menopause in the workplace this collection re theorizes the management of human resources as it relates to the connections between gender age and the body in the workplace environment with an intersectional analysis offering theoretical frameworks from experts as well as possible practical approaches that can be implemented in workplaces to support women transitioning through menopause this is a go to reference for academics and policy makers working in the field
